

Role of a Professional Coach

The Leafs Ice Centre is committed to quality in its group class and private instruction offerings.

Discuss with your skater goals and expectations with your coach to create a plan and practice schedule. A general guideline for each 30 min lesson the skater should dedicate an additional 30 minutes of practice time to reinforce the lesson.

Your coach will help you make decisions in relation to testing and competing, if that is the route you choose.

Role of the Skater/Parent

As a skater, you should try hard, give your best effort, and pay attention to your coach.

If you are unable to attend a lesson, notify your coach in advance whenever possible

Each coach has personal billing procedure. Make sure you know your coach's billing policy and pay your bills in a timely manner.

Important Note

The Leafs Ice Centre policy regarding solicitation of other coaches/athletes;

We do not allow coaches to recruit or solicit athletes that currently have a private coach.

Any athlete who currently has a private coach must consult their current coach before requesting lessons from another coach.

Private Skating Lessons

Private lesson Information for Figure Skating

801 Wesemann Dr
West Dundee, IL. 60118

Phone: 847-844-8700

Fax: 847-844-8706

E-mail our Skating Director:

Gerianne Johnson at
gjohnson@fairviewmgmtllc.com

847-844-8700

Reasons to take Private Lessons

- To prepare for group lesson testing
- To progress more rapidly through personalized attention
- To prepare for and to have a coach assisting at local USFS Basic Skills competitions
- To Test and compete within the USFS organization
- To help you reach your skating potential

How do Private Lessons Work?

Private lessons are a great way to learn quickly while having fun. As with any learning situation, a student may progress more rapidly because of the one-on-one attention.

Each instructor acts as an independent contractor (usually rates run around \$30.00 per half hour). Lessons may be 20, 30, or 60 min in length depending on scheduling and the age of the skater. Students pay the coach directly for the lesson and pay the Leafs Ice Centre for use of the contract ice.

Contract Ice prices:

Half Hour ~ \$8.00
 One Hour ~ \$15.00
 10 hour contract card ~ \$135.00
 20 hour contract card ~ \$265.00
 Monthly Unlimited Ice ~ \$250.00
 (10 and 20 hour contract cards do not expire)

View our website at:
LeafsIceCentre.com
 to purchase contract membership cards

Getting Started and Selecting a Coach

1. Determine your skating goals:

- ~ Do you want just a few lessons to pass your class?
- ~ Do you want to take lessons every week?
- ~ Do you want to compete?

2. Select a coach:

- ~ Observe our teachers during class or contract sessions.
- ~ Try to match your skater's personality to that of the coach.

Questions? Contact our Skating Directors.

If you are ready for private lessons, feel free to contact one of our coaches:
